

We need YOU in Nursing Education!

**Becoming a Nurse Educator...**  
**your second career**

**YOU can make a difference in 2008!**

- U.S. nursing schools turned away over 30,000 qualified applicants in 2007!
- A primary barrier to accepting qualified nursing students is insufficient faculty.
- A 1,000,000 nurse shortage is projected in 2020.

\*Attend an information session for nurses to explore the opportunity of becoming a nurse educator!

*A second career for you...  
future nurses for our patients!*
